

How do you know if it is community-level?

(A Developing Litmus Test)

Question	Yes or No
Does it affect everyone in the community, regardless of whether or not they were part of the prevention group	
Does it live beyond the people/individuals who are leading the efforts?	
Does it require further action?	
Does it go beyond <u>just</u> knowledge, skills, and abilities?	
Is reaching the community intentional versus a happy accident?	
Is it led/owned by the community?	
Is our organization the right organization to be doing this work?	
Does messaging work cross/connect movements?	
Is everyone using the same message?
