- RESTROOMS

At the Washington Hilton, we take great pride in providing an exceptional experience for our guests. It is in that spirit that we strive to provide a clean and healthy environment for you.

We have recently installed AIRPHX units in the Columbia and International Ballroom areas as an enhancement to the Hilton CleanStay program. Independent testing has confirmed significant reductions of microorganisms in the air and on surfaces in both Ballroom areas.*

This system **HELPS TO PROTECT OUR GUESTS**

* While no system can provide a 100% guaranty, this system has been used in hospitals, casinos, gyms and schools. Independent test results are available upon request.
