ABOUT THIS INFOGRAPHIC

This infographic is a companion piece to *Linking the Roads: Working with Youth Who Experience Homelessness and Sexual Violence*. It uses the term "homeless youth" to include ages 12-24. Identity, sexual orientation, race, ethnicity, and cultural values can affect how youth react to the traumas they experience from sexual violence and homelessness. All other terminology is taken from the references below. To access a copy of the guide, go to www.nsvrc.org/publications.
